

# Robin Hood Primary School

Year 6 Newsletter – Friday 22<sup>nd</sup> March 2024

**Next week is the last week of the Spring term! The children have been working really hard learning ratio this week. They have learnt what ratio is, how to use scale factors and answering problems with them. In reading, children have nearly finished the book called, 'Beyond the Horizon'. In science, children have learnt about evolution and how humans and animals have changed and adapted over time.**

## **Homework and spelling**

Homework will be handed out on a Thursday. Spelling homework is handed out on Mondays. Children have a week to practise before they are tested the following Monday. Reading, Grammar and Maths homework is handed out on a Thursday, to be completed and handed in the following Thursday. Please ensure this is completed on time. If we can help in any way, please let us know.

## **Reading at Home**

Children need to read at least 4 times per week. This needs to be recorded in their planner each time they read and signed by an adult. Children acquire raffle tickets for times they read each week (1 raffle ticket for 4 times, 2 raffle tickets for 5 or more), which is then drawn twice per half term, with the chance of winning a brand-new book of their choice! Children are welcome to bring in their own books from home to read during Reading for Pleasure time in class.

## **PE**

Children have **indoor PE on a Tuesday** and **outdoor PE on a Thursday**. They can come to school on these days in their usual PE kit: plain white t-shirt, dark shorts/bottoms, dark hoodie and suitable trainers.

Thank you for your continued support,

Mr Hageen and Miss Wray
