

# **Robin Hood Primary School**

## **Year 3 Newsletter – 28th March 2024**

### **Home Learning:**

Over the Easter holidays, please can you read as much as you can with your child. Please make sure to record this in their reading record. It does not just have to be school books that are recorded in there. You can record any kind of reading that they choose to do. Please can you also log onto Timetable Rockstars and go to 'Gig'. This will assess your children's current timetable knowledge so that the questions they get in the other parts of the game are appropriate. By the end of year 3, children should be familiar with their 2x, 5x, 10x, 3x, 4x and 8x tables.

### **Year 3 Book Look.:**

Tuesday 30<sup>th</sup> April is Year 3's Book Look. This will take place in your child's classroom from 2:45 – 3:15. This is a great opportunity for you to see what your child has been learning in all subjects.

### **English:**

After the holidays, we will be writing our own narrative based on The Iron Man. We will use expanded noun phrases, fronted adverbials for time and place and a variety of conjunctions.

### **Maths:**

In Maths, we will consolidate our fractions learning by finding equivalent fractions using bar models. We will then move onto adding and subtracting fractions.

### **Science:**

In Science we will start our Physics topic: magnets. We will start by finding out which materials are magnetic and non-magnetic.

**Have a wonderful Easter break and we will see you back on Monday 15<sup>th</sup> April.**
