Attendance Class Reward

As part of our new attendance policy, which has been developed this academic year, each week classes take part in a competition to have the highest combined class attendance. The winning class earns a whole class reward. This may include a class party, extra break time or extra golden time. The class reward is selected by a majority vote. Each week the winning class will be announced in our Monday assembly and will be sent home to be celebrated on our weekly newsletter. Well done to this week's winners!

| Summer 1 Week 1 Class Winners | | |
|-------------------------------|-----------------------|-----------------------|
| 1 st Place | 2 nd Place | 3 rd Place |
| 2HS (88.7%) | 3JD (88.5%) | 2KK (87.6%) |

SEND Coffee Morning – Tuesday 7th May 9.00am-10.00am

On Tuesday 7th May we will be hosting a coffee morning in the school hall for all parents and carers of children with SEND. We would really like to develop a support network within

our school community, so if you have any ideas or resources you are interested in or can share, please feel free to bring them along.

We look forward to seeing you there!

Mrs. Steel

School Council

On Monday the School Council held an assembly all about Democracy. Within this assembly, local councillors Mike Foster and Karen Renshaw spoke to the children, introduced themselves and explained a little bit about their job as a local councillor. The School Council are looking forward to arranging a Q&A session with the local councillors in the near future.

Science - Earth Day 22nd April 2024

This week, we celebrated Earth Day in school by learning all about Bees! We learned about what they look like, what they do and how they will save our planet! Every child planted, and took home, a sunflower plant, to grow in the pot and then plant outside somewhere sunny. If you do not have anywhere sunny to plant it, please feel free to bring it back to school and we will find a perfect spot for it here! Take a look at 'X' (twitter) for some pictures @RobinhoodPS

D:side Workshops

Next week, years 1-6 will be taking part in a range of workshops across school to explore the theme of 'internet safety'. The workshops will be hosted by d:side and will take place on Monday 29th April, Tuesday 30th April and Wednesday 1st May. Below is an overview of what will be taught in class to give you the opportunity to support your child further at home.

Internet Safety Sessions for Key Stage's 1 and 2 will focus on:

- *What we use the Internet for (KS1)*
- *What is / is not safe to share online (KS1)*
- *What to do if we are not sure about the internet (KS1)*

- *Using emails safely (KS2)*
- *Social networking and safe profiling – including use of Facebook, Twitter, Instagram, Snap Chat, TikTok, etc. (KS2)*
- *‘chatting’ with care (KS2)*
- *Responsible and safe use of the internet (logins, email, photography, password protection, personal information and self-protection). (KS2)*
- *Using text and picture messaging (KS2)*
- *Behaving responsibly (KS2)*

Kooth

Kooth online services can offer mental health support to children aged 10 and over.

- Their team of mental health professionals can provide mental health support within 15 minutes of contact. They offer:
- Free, anonymous support: their chat service is free, and you don’t even have to give your name.
- Real people, not bots: the professionals you speak with in their chat service are real people who want to listen to you.
- A safe space to talk: the Kooth chat service is a safe space for support accredited by the British Association for Counselling and Psychology (BACP).

Kooth also has a bank of many activities and suggestions for supporting mental health and wellbeing both at home and at school. It is free to sign up and children can access resources and support immediately. Please find the link to the Kooth website below:
