### Attendance Class Reward

As part of our new attendance policy, which has been developed this academic year, each week classes take part in a competition to have the highest combined class attendance. The winning class earns a whole class reward and takes the attendance trophy for the week! Each week the winning class will be announced in our Monday assembly and will be sent home to be celebrated on our weekly newsletter. We now have a winning class for years 1-3 and a winning class for years 4-6. Well done to this week's winners!

## **PTA Message**

Hi All

We're now into the summer term and planning ahead for the summer fair which will take place on Friday 12 July straight after school 3:20-5:30pm on the school field. Please come and join us for what will be a fun filled event and bring your family and friends with you. More details to come over the coming weeks.

If you're interested in supporting our school fair there are a number of ways you can do this and it's an opportunity to support your local businesses in our community too.

For the event, we will generate an electronic programme to advertise the events and stalls which everyone in school will have sight of. You have the option to advertise your business within the programme for a fee or donate a raffle prize on behalf of your business which will be mentioned in the programme and any promotional material we send out ahead of the event. There is also the option to sponsor a tombola or the cafe-bar stalls with your banner or poster with the option to attach your business cards or small fliers to the prizes/make available to pick up from the stalls directly.

By supporting with any of the above options means you will help sponsor the event along with the money made from the fair which all go towards supporting the school.

If you are interested in finding out more about sponsoring the school fair, please email us at [robinhoodprimarypta@gmail.com](mailto:robinhoodprimarypta@gmail.com)

Please save the date (12 July) and come along to support the school. This is always a fun event and a great way to end the term for the children so please come and join us.

Thank you

Sharon, Nichola and Emma
