## Year 4 Newsletter – Friday 3<sup>rd</sup> May 2024

What a week! On Monday, 4KF had D:Side in delivering a talk on social networking and safe profiling and 4DB departed for Lineham Farm. All of Year 4 were amazing: wearing their biking bruises (or badges!) with pride, helping each other at mealtimes and all overcoming so many challenges with courage, resilience and endless positivity!

### **Art and DT**

Next week we have our Art afternoon (**Thursday 9<sup>th</sup> May**) and DT afternoon (**Friday 10<sup>th</sup> May**) and need some of your recycling to resource it! In Art we are weaving and DT we are creating volcanic Paper-Mache models, to teach the year 2s... We will need lots of newspaper and some thicker cardboard (cereal boxes are a bit too flimsy) to act as the base for our volcano model. On **Friday 10<sup>th</sup> May** you may want to send in an old shirt for this.

**Maths:** The Multiplication Table Check (MTC) is approaching so we have been doubling up on TTR practise in class and will continue this over the next few weeks. Lots of children are confident with their tables, but as much practise with the online platform is advised in preparation for the test.

**English:** In between our non-chronological report writing about a newly discovered species, we had to write a recount for Lineham Farm! We have also begun our new non-fiction reading book, Explorers.

**PE:** Our PE days remain on a Tuesday (indoor) and Thursday (outdoor). Children can come to school on these days in their usual PE kit: plain white t-shirt, dark shorts/bottoms, dark hoodie and suitable trainers.

### **Year 4 Times Table Test**

This is just a reminder to parents that the year 4 times table test will take place between Monday 3<sup>rd</sup> June and Friday 14<sup>th</sup> June 2024. Please ensure pupils practice on TTRockstars for at least 15 minutes per week.

Thank you all you continued support,  
Miss Baker and Mr Feltham
