

'Primary' Parent

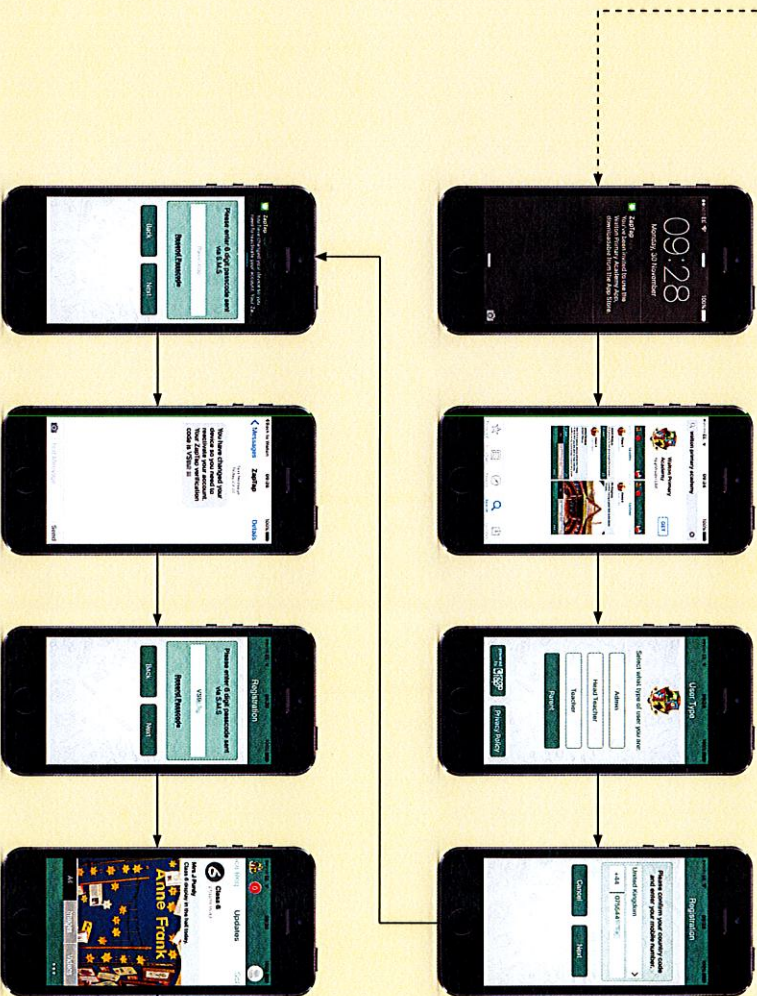

- Primary User goes to the '...' Menu, and selects 'Profile'.
- Primary User presses the '+' next to the 'Other Parents' label.
- Primary User enters the full MOBILE number of the SECONDARY user.
- Once 'Submit' has been pressed, the Invited User will get a Text Message.
- Once the Invited User has completed his/her steps (as per Yellow section), the Primary User can then see the Invited User in the 'Other Parents' list.

'Secondary' (Invited) Parent

- Invited User receives Text Message from ZapTap confirming they've been invited.
- Invited User downloads app from App Store.
- Invited User loads app & selects 'Parent' view.
- Invited User then types in THEIR OWN number (i.e. the number the 'Primary' parent sent the invite to), and presses 'Next'.
- Invited User should then receives ANOTHER Text Message from ZapTap, this time with a 6-digit passcode. They need to either copy or make a note of this passcode.
- Invited User enters this 6-digit passcode just received in the 'Passcode' text field, and presses 'Next'.
- Invited User now has access to the app.
