

Robin Hood Primary School

Year 1 Newsletter – Friday 15th October 2021

This week, the children have enjoyed learning about Black History Month, and celebrating the achievements of Black people in the past and present. The children spent the day celebrating their differences by drawing self-portraits and creating a piece of artwork to represent how we are all unique but together we belong as a class.

Homework and spellings

Next week, the children will be learning the sounds /ve/, /wh/, /cks/ and /tch/ and their home learning will build on this sound knowledge. Please continue take photos of your child's completed learning and email them to their class teacher.

English

After placing the events in order, adding the correct time conjunctions and creating a bank of adjectives to describe our jungle experience, the children will now be writing their very own recount based on the text Monkey Puzzle.

Maths

In Maths, the children will build on their knowledge of ordering numbers to describe the position of numbers. They will use language such as first, second, third and last. The children will then use the number line to consolidate and practise the number skills taught so far (counting to 10, recognise one more and one less, see more than and less than and order numbers.)

Reading at Home

A huge thank you to all those who have recorded their child's reading on our new virtual reading log: Go Read. All children are expected to log a minimum of 4 entries each week, whether it be them reading to you or you sharing a bedtime story with them. The children will be awarded a dojo point.

Key Dates:

Thursday 21st October: Year 1 PTA Disco 3:15 - 4:00

Have a lovely weekend,
Mrs Murphy and Miss Bairstow
