

# **Robin Hood Primary School**

## **Year 5 Newsletter – Friday 5<sup>th</sup> November 2021**

**We hope you enjoyed your first week back year five!**

### **Homework**

This week, we have sent home copies of the homework instead of posting it on the google classroom. One side is maths and related to statistics and reading tables and timetables. On the other side, is a short reading comprehension with questions to answer based on the text. We expect this back in school to mark as a class on **11<sup>th</sup> November 2021**.

### **Spellings**

This week the pupils have learnt the 'kn' sound. Each child has taken home a homework sheet to complete to help consolidate the sound. They have a paragraph of text to read and should highlight any of the kn- sounds that they see. They then have some questions to answer around the text. The children should return this to school by **8<sup>th</sup> November 2021**.

**This week's spelling rule:** kn- e.g. knife, knowledge, knee, know, knot.

**This week's statutory spellings to learn:** correspond, criticise, curiosity, definite and desperate.

### **Reading at Home:**

This year, all children will record their reading on our new virtual reading log: Go Read. This can be accessed via any device, which allows access to the internet, including mobile phones. All children are expected to log a minimum of four entries each week. Please check your child's planner for their Go Read log in details. For support, please watch this video: <https://www.youtube.com/watch?v=4HWKnR6PIC8>

### **PE**

5SQ: Tuesday (outdoor) and Friday (indoor) 5KM: Tuesday (outdoor) and Thursday (swimming)

Children can come to school on these days in their usual PE kit: plain white t-shirt, dark shorts/bottoms, dark hoodie and suitable trainers. Please provide a coat for outdoor PE too! For 5KM, on a Thursday, children will need to bring in a towel, swimwear and armbands. The children will wear normal uniform on this date. If you have any questions, please email Miss McMahon at [missmcmahon@robinhoodapps.co.uk](mailto:missmcmahon@robinhoodapps.co.uk)

## **English**

Next week, we will continue to collect facts about plastic pollution to use to help us to write our non-chronological report.

## **Maths**

Next week, we will begin our multiplication and division topic. We will start by looking at multiples and factors and will use our timetables to help us. Please continue to practice your child's timetables at home by using TTR to support them.

Have a fantastic week,  
Miss McMahon and Miss Quirke
