

# Robin Hood Primary School

## Year 1 Newsletter – Friday 12<sup>th</sup> November 2021

The children have had a brilliant week and they have really impressed us when mastering their number knowledge within ten. They have also enjoyed writing their diaries about Grandad John in English.

**Homework and spellings.** Home learning has been set via the Google Classroom and all reading entries need to be logged on GoRead. The children are expected to read at least 4 times a week and bonus gems will be given for those who go above and beyond to read at home. Please continue to log all reading; this is checked weekly by your child's class teacher.

### **English**

Next week, the children will enjoy a Christmas themed morning as they start their new unit on diaries. The children will be receiving a special letter from Santa, asking them to complete a secret mission. They will then write a letter back to Santa to inform him of their findings.

### **Maths**

In Maths, we will be moving on to subtraction within ten. The children will be learning what the subtraction symbol is and how to solve a range of number sentences using a range of concrete, pictorial and practical methods.

### **Reminders**

Tuesday 16<sup>th</sup> November- 1EM Parent Consults

Have a lovely half-term break.  
Mrs Murphy and Miss Bairstow
