

Robin Hood Primary School

Year 1 Newsletter – Friday 19th November 2021

We have had another wonderful week in Year 1. Christmas came early on Tuesday, when we received a very special letter from Santa Clause himself explaining that his Elf has gone missing from the North Pole! Also, a huge thank you for all of your buns and donations towards Children In Need; the children looked fantastic in their spots and Pudsey merchandise and we were able to raise lots of money for charity. Well done Year 1.

Homework and spellings. Home learning has been set via the Google Classroom.

Please ensure that your child reads at least 4 times a week. Recently, there has been a decline in the amount of reading that is being logged at home, so please continue to log all reading entries via GoRead- thank you to all those who do this consistently.

English

Next week, the children will be writing their letter back to Santa to let him know what his Elf has been up to; Santa can't wait to see their use of full stops, capital letter and finger spaces. We will also be introducing question marks and exclamation marks and the children will be trying to incorporate these into their writing.

Maths

In Maths, the children will continue to use the subtraction symbol, and build on their understanding of finding a part, to solve subtraction problems. Once they have mastered this skill, they will then begin to write a fact family of addition and subtraction number sentences and discuss the relationship between the addition and subtraction facts.

Reminders

W/C 22nd November- Road Safety Week

Friday 26th November- Break the Rules Day

Have a brilliant weekend.
Mrs Murphy and Miss Bairstow
