

Robin Hood Primary School

Year 4 Newsletter – Friday 22nd April 2022

The children have settled back in so well this week after a well-earned rest over the Easter holidays. They have started their new class novel, *The Explorer*, and begun learning about crime and punishment in History. They have worked on animations using Purple Mash and started to learn about electricity in Science.

Home reading: This year, all children will record their reading on our new virtual reading log: Go Read. This can be accessed via any device, which allows access to the internet, including mobile phones. **All children are expected to log a minimum of four entries each week.** Please check your child's planner for their Go Read log in details. For support, please speak to your child's class teacher or watch this video:

<https://www.youtube.com/watch?v=4HWKnR6PIC8>

Thank you for your support with this.

Google Classroom: Please continue to use the Google Classroom page as usual for any key information and to view any learning shared. We will continue to add home learning tasks on here as well as sending home a paper copy.

PE

Our PE days are on a Monday (outdoor) and Thursday (indoor). Children can come to school on these days in their usual PE kit: plain white t-shirt, dark shorts/bottoms, dark hoodie and suitable trainers. Please provide a coat for outdoor PE too!

Maths: This week, we have been continuing to learn about decimals and how to recognise both tenths and hundredths as decimals. Next week, we will continue to look at hundredths using place value grids and divide 1 and 2 digit numbers by 10.

English: This week, we have begun reading *Banished, Beheaded and Boiled in Oil*, a non-fiction text about crime and punishment through the ages. Next week, we will explore other non-fiction texts and retrieve key information from them.

Homework: This week's homework task and spelling activity have been shared on Google Classroom. Spelling will revisit letter pattern 'ei' for different sounds to further secure this pattern in our work. The homework task links to our learning this week for Maths and English.
