

Robin Hood Primary School

Whole School Information – Friday 29th April 2022

Assembly

The children learnt about the importance of tolerance, to understand what tolerance means and to understand ways in which we can be tolerant. Certificates were also awarded for being great role models in school.

Educational visits

Our Year 2 children visited the Leeds Grand Mosque on Tuesday. They learnt about the basic principles and beliefs of Islam and returned to school eager to tell us all about this. On Wednesday, our choir performed at the Young Voices Concert at Sheffield Arena and had a wonderful time! Well done to both year 2 and our choir for being brilliant ambassadors for our school. Many thanks also to the parents who attended the Young Voices concert and offered their support and to the brilliant staff who supervised them and ensured this was able to happen.

Staff and Governor Training

Staff had refresher training on Floppy Phonics this week. Teachers and governors also had two training sessions with our School Improvement Adviser about the Ofsted Framework overall and a specific presentation about our SEND pupils.

Lost property

We have amassed a large quantity of lost property over the last term and now that the weather is getting better, we will put this outside at the end of the day. If anything doesn't have a name on it and it will fit your child, please feel free to take it.

Dinner money

Could we please remind you that if your child has school meals these should be paid for in advance via ParentPay.

Please remember that Monday is a Bank Holiday and therefore we will return to school on Tuesday 3rd May. Have a lovely weekend and I hope that the sun shines on all of us!

Mrs Harris

Preloved Uniform Bank – Message from the PTA

The PTA have collated all recent donations and have made a list of current stock in the Preloved Uniform Bank. If your children have had a growth spurt, or are in need of some summer items, please make sure to have a look at the attached list, we may have something in stock for you. Monetary donations are gladly accepted towards the PTA fundraising pot, but no obligations. Any uniform no longer needed can be dropped off in the green PTA donations bin by the car park gates, with thanks for helping us and others! To enquire about items, e-mail the PTA at robinhoodprimarypta@gmail.com or message Isla Butler via Facebook Messenger. Thank you!

Yours with thanks,

Isla
