

Robin Hood Primary School

Year 1 Newsletter – Friday 29th April 2022

Homework and Spellings:

Next week the children will be learning the alternative spellings for the /f/ sound. These will include: /ff/, /ph/ and /gh/. We would like the children to spend some time on Oxford Reading Buddy over the next week. Their passwords have been sent home again so you should have the login details to access all of the wonderful books online.

Maths:

In Maths next week, the children will be moving on to fractions. We will be finding half of a shape and an object.

English:

In English we will be completing our biography about Orville Wright. The children will edit and up-level their work before publishing their completed piece.

PE:

Year 1 PE days will be as follows:

- Tuesday – Indoor PE/ Wednesday – Outdoor PE

Art Bytes

As part of the Art Bytes competition, year 5's top entries have been shortlisted. The judges from Art Bytes have selected Jack from 5SQ, Ellie from 5KM and Tyler from 5KM as their top three from our school. We now need **your help** to vote for your favourite entry. To do this please click the following link so that you can view each piece of art. Voting is open online until 1st May. You are permitted one vote per person and the vote is only counted after you confirm via the link email you will receive after voting on the website. The winning entry from each school (shortlisted student with most votes) wins a place in the virtual gallery exhibition which will open in June.
