

Robin Hood Primary School

Year 3 Newsletter – Friday 29th April 2022

This week, the children have enjoyed reading poetry. We have read and discussed poems written by Laura Mucha. In writing, children have learned how to write a letter of complaint and we have already begun to draft our ideas. In maths, the children have been exploring fractions and have learned about unit fractions such as halves, quarters and thirds. We have also looked at some larger non-unit fractions which have more than one part selected. In history, children have talked about areas of interest in Leeds and we have looked at Temple Newsham, Harewood House, Kirkstall Abbey and Roundhay Park.

Go Read: If parents are using Go Read to log their child's reading please continue to do so. Alternatively, if this is not convenient please record your child's reading in the diary section of their planner and send this in with their zipped locked reading wallet every Monday. Please speak to your child's teacher if you are unsure. Thank you.

Spellings: Pupils have received new spelling homework. This week, we have explored the 's' sound within word spelt with 'ce'. It has also been uploaded to the Google Classroom.

Homework: This week, homework concentrates on fractions and reading comprehension.

Oxford Reading Buddy: This week children have brought home the passwords for the Oxford Reading Buddy. This is available online through any web browser. All books that have been allocated are in line with their current book band. Many books have an inbuilt reading coach to guide them through the comprehension of what they are reading. We would love pupils to use this when reading at home to help boost their reading fluency and understanding further.

Art Bytes: As part of the Art Bytes competition, year 5's top entries have been shortlisted. The judges from Art Bytes have selected Jack from 5SQ, Ellie from 5KM and Tyler from 5KM as their top three from our school. We now need **your help** to vote for your favourite entry. To do this please click the following link so that you can view each piece of art. Voting is open online until 1st May. You are permitted one vote per person and the vote is only counted after you confirm via the link email you will receive after voting on the website. The winning entry from each school (shortlisted student with most votes) wins a place in the virtual gallery exhibition, which will open in June.
