

Robin Hood Primary School

Whole School Information – Friday 6th May 2022

Staff Training

Our staff received refresher training in Team Teach this week. This is to give staff the confidence and strategies to be able to de-escalate challenging situations. This was delivered by the Leeds Health and Safety team and our second and final session is in week 5.

KS2 SATS

Next week our Year 6 pupils will be doing their SATS papers in school. We wish them all the very best and we are so proud of how hard the whole year group has worked. We know that they will all try their very best and staff will be serving them a breakfast each morning in the hall, before these take place.

Platinum Jubilee

On Friday 27th May, Robin Hood will celebrate our Queen's 70-year reign with a Platinum Jubilee themed day. As part of this, the children will learn more about our monarch, participate in a host of creative activities and most importantly, share an afternoon tea with their peers in celebration. We want for this to be a day that the children will treasure and never forget!

The children are invited to come into school on this day wearing colours of the Union Jack or royal themed attire - they may even choose to accessorise with a crown or toy Corgi - the possibilities are endless and we can't wait to see them!

The PTA are supporting this event through providing special jubilee memorabilia that the children will eat and drink from. School will be providing savoury food for the children to enjoy at their afternoon tea. We are kindly asking for sweet treat donations from parents and carers. We kindly ask for any donations for our afternoon tea event to be brought into school on the morning of the Friday 27th May. We appreciate any donations and thank you in advance.

Nearer to the event, each year group will share a list of possible sweet treats to donate and will ask for parents and carers to advise what they will be donating. We are taking this approach for this event as we want to ensure that there is a balance of sweet and savoury treats and for the event to be as authentic as possible! You may also want to use this celebration as an opportunity to dust off your aprons and bake if you so wish! Dairy Free, Sugar Free and Gluten free items will be gratefully received. We must remind you that we

are a nut-free school therefore; we ask that no foods containing nuts/nut traces are brought into school.

Dodgeball tournament – Congratulations!

On Thursday, nine of our Year 6 pupils attended a British Dodgeball Tournament at York College. The children played against 7 other schools before making it to the final. In the final, unfortunately, the children lost in the final few minutes of the game; however, their resilience, team work and determination shown was a credit to Robin Hood. As the children played with such impressive skills, the team have been invited to take part in the National Finals in Stoke in June. A huge congratulations to all the children involved and thank you to Glenn Thornton (owner of GT Sports) and Mr Lamb for taking the children yesterday.

Leeds Trinity University Open Evening:

If you are interested in becoming a teacher, there is an open evening taking place at Leeds Trinity University on Wednesday 11th May from 4pm-7pm. Come and visit to talk to our own St Anthony's Primary Learning Partnership to find out more. We are almost ready to close our applications for teachers for our 2022-2023 round. If you require any further information, please contact a.bove@stanthonysleeds.org.uk

Have a lovely weekend,

Mrs Harris
