

Robin Hood Primary School

Year 6 Newsletter – Friday 24th June 2022

Sport's week: Well done to everyone for their efforts during sports week. We are so proud of all the children giving all the activities a go; they all supported each other and tried their best. Thank you as well to all the parents who came and supported the children during sports day.

Science week: Next week is science week! The children will be taking part in different science lessons and activities throughout the week. There will also be a workshop later in the week about electricity!

Home Learning:

Science – Ahead of Science Week next week, we would love pupils to partake in a science home learning activity following any of your child's interests. Outcomes can be emailed to your child's class teacher and one lucky winner in KS1 and KS2 will win a science prize.

Some dates for the diary:

Leavers prom: Weds 6th July (5:30p.m. – 7:00p.m.)

Fish and chips on the field: Thursday 7th July

Leaver's assembly: Friday 8th July

These dates and information have also been sent out via ParentMail.

Reading at Home: Reading is so important and a fundamental skill which underpins all learning. Therefore, we please ask that you continue to encourage your child to read as much as possible. This can be logged on 'Go Read', which can be accessed via any device that allows access to the internet, including mobile phones. All children are expected to log a minimum of four entries each week. Please check your child's planner for their Go Read log in details. For support, please watch this video: <https://www.youtube.com/watch?v=4HWKnR6PIC8>

PE: Our PE days will be on a Tuesday (indoor) and Wednesday (outdoor). Children can come to school on these days in their usual PE kit: plain white t-shirt, dark shorts/bottoms, dark hoodie and suitable trainers. Please provide a coat for outdoor PE too!
