

# Robin Hood Primary School

## Year 6 Newsletter – Friday 8<sup>th</sup> July 2022

**Well done!** Congratulations to all the children for finishing their final week at Robin Hood Primary School! You should all be immensely proud of all your accomplishments here at this school and it will be sad to see you leave. Words cannot describe how proud we are of you all. We can't believe your time at Robin Hood has come to an end but we wish you all the best of luck for the future.

**Thank you!** Thank you to all of the parents and carers for everything you have done and the support you have given over the children's time at Robin Hood. With lockdowns and everything else that has gone on over the past few years, we couldn't have done our job without your support. You are all amazing and we can't thank you enough.

**SATs results and reports:** The children should have received their reports and SATs results yesterday. All of these have been given to the children. They all did so well and they should be so proud of their results. On the letter, there are marks that they got in their tests as well as scaled scores. The one to focus on is their scaled scores. Here is a breakdown of their scaled scores:

- **120** – The highest score
- **101-119** – A score above 100 (including 120) means a child has exceeded the expected standard
- **100** – The expected standard for children (and essentially a 'pass').
- **80 – 99** – A score of 99 or below has not met the expected standard

Please don't hesitate to contact the school or your class teacher if you have any further questions around this.

**Rothwell Record:** Earlier in the year, the children had a whole year group photo to go in the Rothwell Record. This is now available to purchase in local shops.

We wish the children all the luck in the world for their next chapter at high school – good luck, everyone, you deserve it!
