

Robin Hood Primary School

Year 4 Newsletter – Friday 4th November 2022

We have had a brilliant first week back after the half term break. The children have begun learning about what is important to Christians in RE, tested their fitness levels in outdoor PE and considered what makes up their personal identity in PSHE.

Home reading: This year, all children will record their reading on our new virtual reading log: Boom Reader (formerly Go Read). This can be accessed via any device, which allows access to the internet, including mobile phones. **All children are expected to log a minimum of four entries each week.** More information has been shared about this at Meet the Teacher meeting this week. For support, please speak to your child's class teacher. Thank you for your support with this.

Google Classroom: Please continue to use the Google Classroom page as usual for any key information and to view any learning shared. We will continue to add home learning tasks on here as well as sending home a paper copy. We will also continue to upload photographs of the children's learning to our school Twitter account.

PE

Our PE days are on a Monday (outdoor) and Friday (indoor). Children can come to school on these days in their usual PE kit: plain white t-shirt, dark shorts/bottoms, dark hoodie and suitable trainers. Please provide a coat for outdoor PE too!

Maths: This week, we have been working on recognising and calculating area of different 2D shapes. Next week, we will begin looking at multiplication.

English: This week, we have begun learning about Captain Scott and his famous journey to the South Pole, in order to write diary entries in role. We have also begun reading 'The Girl Who Stole An Elephant' and retrieving information about the characters and setting. Next week, we will begin drafting our diaries and inferring the way characters are feeling.

Homework: This week's homework task and spelling activity have been shared on Google Classroom. Spelling covers the /sh/ sound made with the code 'ch'. Homework tasks link to our learning from English and Maths this week.
