

Robin Hood Primary School

Year 4 Newsletter – Friday 25th November 2022

We have had another busy week this week and learned lots across all of the curriculum. In RE, we learned about the meaning of the Trinity in Christianity. We used glockenspiels to enhance our rock and roll music performances in Music and located the features of the landscape of South and North America in Geography.

Home reading: This year, all children will record their reading on our new virtual reading log: Boom Reader (formerly Go Read). This can be accessed via any device, which allows access to the internet, including mobile phones. **All children are expected to log a minimum of four entries each week.** More information has been shared about this at Meet the Teacher meeting this year. For support, please speak to your child's class teacher. Thank you for your support with this.

Google Classroom: Please continue to use the Google Classroom page as usual for any key information and to view any learning shared. We will continue to add home learning tasks on here as well as sending home a paper copy. We will also continue to upload photographs of the children's learning to our school Twitter account.

PE: Our PE days are on a Monday (outdoor) and Friday (indoor). Children can come to school on these days in their usual PE kit: plain white t-shirt, dark shorts/bottoms, dark hoodie and suitable trainers. Please provide a coat for outdoor PE too!

Maths: This week, we have been working on dividing by 10 and 100 using place value grids and counters to visualise this and secure our understanding. We have also begun looking at ways to multiply a 2 digit by a 1 digit number. Next week, we will continue learning the formal written methods for 2 digit by 1 digit multiplication.

English: This week, we have begun analysing the features of a persuasive travel brochure. We have also begun reading 'Herstory', a non-fiction book featuring many inspirational women from history and celebrating their achievements. Next week, we will begin writing our travel brochures to persuade the reader to visit a North American city- New York.

Homework: This week's homework task and spelling activity have been shared on Google Classroom. Spelling covers the /u/ sound made with the codes 'ou' and 'ous'. Homework tasks link to our learning from English and Maths this week.
